

Dr Luigi Aldera

M.B., Ch.B FCS (UROL) SA

SPECIALIST UROLOGIST

Luigi Aldera grew up in Cape Town and matriculated from St Joseph's College Rondebosch. He obtained his MB.ChB from the University of Cape Town in 1982. He did his internship at Livingstone Hospital in Port Elizabeth the following year.

His post-graduate urology surgery training was completed at Groote Schuur Hospital and the University of Cape Town. He was admitted as a Fellow to the College of Urology of South Africa in 1991. He was appointed a Consultant in the Department of Urology at Groote Schuur Hospital and University of Cape Town in 1992.

He entered private practice as a Specialist in Urology in 1993. He has an interest in all aspects of urogenital conditions and a special interest in Prostate cancer and prostate laser surgery as well as noninvasive management of kidney stones.

He has a part time appointment to the Urology Oncology Clinic at Groote Schuur hospital.
